NINGBO ETDZ HOLDINGS LTD.

INDEX

02 Knobs

04 Equipment Legs

06 Beer Barrel

07 Infrared Heating Tube

08 Drainage System

09 Drainage System & Handle

12 Lampshade

15 Spark Ignition

KNOBS

Product Number: K-A-101
Material: ABS

Product Number: K-A-102
Material: ABS Aluminum

Product Number: K-A-103
Material: Inflamming Retarding ABS

Product Number: K-A-104
Material: ABS

Product Number: K-A-105
Material: ABS

Product Number: K-A-106
Material: ABS

Product Number: K-A-107
Material: ABS

KNOBS

Product Number: K-A-108
Material: Inflamming Retarding ABS

Product Number: K-B-101
Material: Bakelite Aluminum

Product Number: K-B-102
Material: Bakelite Aluminum

Product Number: K-B-103
Material: Bakelite Aluminum

Product Number: K-B-105
Material: Bakelite Aluminum

Product Number: K-B-106
Material: Bakelite

EQUIPMENT LEGS

Product Number: L-PP-103
Material: ABS Plastic

Product Number: L-PP-104
Material: Die Cast Zamak

Product Number: L-PP-105
Material: Gray Thermoplastic

Product Number: L-PP-CH-101
Material: Chrome Plated

Product Number: L-PS-101
Material: PP+Stainless Steel

Product Number: L-S-101
Material: Stainless Steel

Product Number: L-S-102
Material: Stainless Steel

Product Number: L-S-103
Material: Stainless Steel

Product Number: L-Z-101
Material: Zinc

Product Number: L-Z-102
Material: Nickel Plated Zamak,
Satin Finish

Product Number: L-Z-NP-101
Material: Zinc Nickel Plating

Product Number: TM-101
Material: Stainless Steel

Product Number: TM-102
Material: Stainless Steel

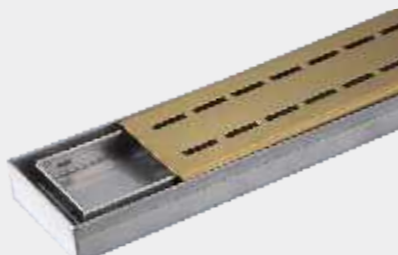

Product Number: TM-103
Material: Stainless Steel

Product Number: TM-104
Material: Stainless Steel

INFRARED HEATING TUBE

		
<p>Product Number: RS-101 Material: Grade A Baked Quartz Tube</p>	<p>Product Number: RS-102 Material: Grade A Baked Quartz Tube</p>	<p>Product Number: RS-103 Material: Grade A Baked Quartz Tube</p>
		
<p>Product Number: RS-104 Material: Grade A Baked Quartz Tube</p>	<p>Product Number: RS-105 Material: Grade A Baked Quartz Tube</p>	<p>Product Number: RS-106 Material: Grade A Baked Quartz Tube</p>
		
<p>Product Number: RS-107 Material: Grade A Baked Quartz Tube</p>		

DRAINAGE SYSTEM

		
		
<p>Product Number: XYC-101 Material: Stainless Steel 304</p>	<p>Product Number: XYC-102 Material: Stainless Steel 304</p>	<p>Product Number: XYC-103 Material: Stainless Steel 304</p>
		
<p>Product Number: XYC-104 Material: Stainless Steel 304</p>	<p>Product Number: XYC-105 Material: Stainless Steel 304</p>	<p>Product Number: XYC-106 Material: Stainless Steel 304 Toughened Glass</p>

DRAINAGE SYSTEM & HANDLE

Product Number: XY-101
Material: Stainless Steel 304

Product Number: XY-102
Material: Stainless Steel 304

Product Number: XY-103
Material: Stainless Steel 304

Product Number: XY-104
Material: Stainless Steel 304

Product Number: XY-105
Material: Stainless Steel

Product Number: XY-106
Material: Stainless Steel

Product Number: XY-107
Material: Stainless Steel

Product Number: XY-108
Material: Stainless Steel

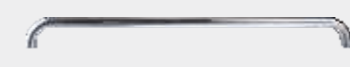

Product Number: XY-109
Material: Stainless Steel

HANDLE

Product Number: XY-110
Material: Stainless Steel

Product Number: XY-111
Material: Stainless Steel

Product Number: XY-112
Material: Stainless Steel

Product Number: XY-113
Material: Stainless Steel

Product Number: XY-114
Material: Stainless Steel

HANDLE

Product Number: XY-115
Material: Stainless Steel

Product Number: XY-116
Material: Stainless Steel

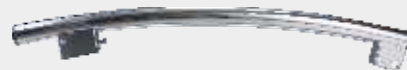

Product Number: XY-117
Material: Stainless Steel

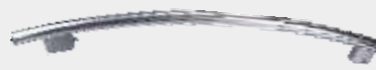

Product Number: XY-118

LAMPSHADE

Product Number: YT-116
Material: Aluminum

Product Number: YT-117
Material: Aluminum

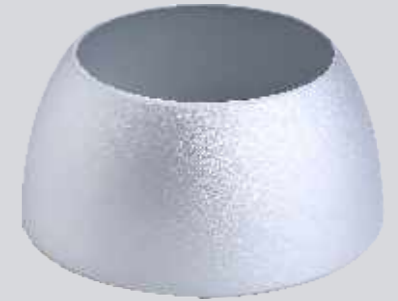

Product Number: YT-118
Material: Aluminum

Product Number: YT-119
Material: Aluminum

Product Number: YT-120
Material: Aluminum

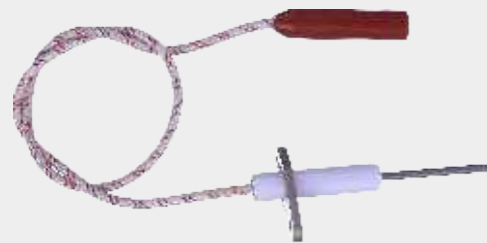

SPARK IGNITION

SPARK IGNITION

		
<p>Product Number: O-101 Wire: 16.5KV Gas Source: NG/LPG Electrode: 0CR25Al5 Bracket: SPCC</p>	<p>Product Number: O-102 Wire: 16.5KV Gas Source: NG/LPG Bracket: SUS310</p>	<p>Product Number: S-101 Wire: UL10362 Appropriate For: Gas Stove Resistance Value: 280°C=239Ω</p>
		
<p>Product Number: S-102 Wire: UL10362 Appropriate For: Gas Stove Resistance Value: 280°C=239Ω</p>	<p>Product Number: S-103 Wire: 16.5KV Insulator: PTFE Electrode: SUS304 Nut: BRASS</p>	<p>Product Number: SE-101 Wire: UL3573 Electrode: 0CR25Al5 Bracket: SUS304</p>
		
<p>Product Number: SE-102 Electrode: 0CR25Al5 Bracket: SUS430</p>	<p>Product Number: SE-103 Electrode: Ni80CR20 Bracket: BRASS/SUS304</p>	<p>Product Number: SE-104 Electrode: SUS305</p>

		
<p>Product Number: SE-105 Electrode: SUS305</p>	<p>Product Number: SE-106 Electrode: 0CR25Al5</p>	<p>Product Number: SE-107 Electrode: 0CR25Al5 Bracket: BRASS</p>
		
<p>Product Number: SE-108 Electrode: 0CR25Al5 Bracket: SPCC</p>	<p>Product Number: SE-109 Electrode: 0CR25Al5</p>	<p>Product Number: SE-110 Electrode: 0CR25Al5 Bracket: SUS310</p>
		
<p>Product Number: SE-111 Electrode: SUS304 Bracket: SPCC</p>	<p>Product Number: SE-112 Electrode: 0CR25Al5 Bracket: SPCC</p>	<p>Product Number: SE-113 Electrode: 0CR25Al5 Electrode: SUS304</p>

Product Number: SE-114
 Wire: UL3304
 Electrode: 0CR25Al5
 Bracket: SPCC

Product Number: SE-115
 Electrode: KANTHAL A1
 Bracket: SPCC

Product Number: SI-101
 Output Voltage: 18.5KV
 Applicable Gas: LPG/NG
 Power Voltage: 1.5V
 Battery: AAA

Product Number: SI-102
 Output Voltage: 16.5KV
 Applicable Gas: LPG/NG
 LifeTime: 30000
 Pressure: 3.0±0.5kg

ABOUT

NINGBO ETDZ HOLDINGS LTD. is founded in 1986; it is a limited company relatively holded by the Administration Committee of Ningbo Economic & Technical Development Zone. It is developed in the year 2000 From NINGBO ETDZ IMP & EXP CORP with its predecessor NINGBO ECONOMIC TECHNOLOGY DEVELOPMENT ZONE IMPORT & EXPORT CORP. It has been ranked among “China 500 largest import and export enterprises” and “Ningbo 20 important export enterprises” for consecutive years since its foundation. Through the efforts, the company has grown steadily. The year 2010 is the tenth anniversary of the company’s restructuring, and it is successfully complete the capital investment, group and joint-stock reform. The company changes the style from a single import-export enterprise to a diversity trade, industry integrated group enterprise.
